Dreaming

Seapony

whenever I see you ooh -ooh
I know my dreams are coming true
every time I close my
every time i close my
eyes
I don't know what to do
My heart with always break in two
every time I close my
every time I close my
eyesI don't wanna be like every body
else
I don't wanna be stuck on another
shelfwhenever i see you ooh -ooh
I know my dreams are coming true
every time I close my
every time I close my
eyes
