Kari

Stephen Bishop

Every time I get close to you
You pull further away
Don't say you got something better to do
You know, I want you to stay'Cause here in the dark
I need to feel something from you
And you know it's true
I love you, KariKari, I'm gonna make you mine tonight
I'll make it last forever
Kari, you know, I wanna hold you tight
I'm gonna make you change your mindI was always the one to play with
When you had the time
Standing under the blue blue skyline
While you made up your mindI know you're more than your daddy's little girl
When you're next to me
I'm so glad I found you
Love is all around youKari, I'm gonna make you mine tonight
It's gonna last forever
Kari, I don't wanna wait alone tonight
I know you're gonna change your mindI can't tell you everything that you want to hear
But the world can't change
The way that I feel
Whenever you're near, KariAnd here in the dark
I need to feel something from you
And you know that, Kari, I love you
Kari, you know it's true
I'm so glad I found you
Love is all around youKari, I'm gonna make you mine tonight
I'll make it last forever
Kari, you know I wanna hold you tight
I'm gonna make you change your mindKari, Kari, Kari
It's gonna last forever
Kari, I'm gonna make you mine
I'm gonna make you mineKari, Kari, Kari
It's gonna last forever
Kari, I'm gonna make you mine
I'm gonna make you mineIt's gonna last forever
It's gonna last forever
It's gonna last forever
