

Black Roses

Trey Songz

Verse 1 Eeh eeh eeh eeh

Yuppp!

Who knew we would be where we are here today

Yeah

Who knew that your heart had the cost I would pay

Girl

Ain't gone be all peaches I thought though the pain you would stay

I guess...life is no fare no noooo

Just listen to me, we can't go on

Pretending to be, like we're so strong (strong)

Love (love), gone (gone), gone with the wind

I've got something to give to you Yupp Chorus Black Roses for this dyin' love

Now we're breakin' up

Since we're givin' up

Black Roses an early Valentine

Special delivery just for you and I Verse 2 Who knew our love would ever be

Called a memory

Who knew my home for happiness

Would soon be misery

Hate that we're so distant girl do you even miss me at all

I guess....life is no fair no no noo

Just listen to me we can't go on

Pretending to be, like we're so strong (strong)

Love (love), gone (gone), gone with the wind

I've got something to give to you Chorus Black Roses for this dyin' love

Now we're breakin' up

Since we're givin' up

Black Roses an early Valentine

Special delivery just for you and I Bridge Can't sleep can't eat (nooo)
