Liar

Lianne La Havas

Verse 1:Shes a liar
With a, a heart of stone
Fell in love with a phantom
Was all her own
Illusion
Dreamt of a, a fantasy
I watched her die
Now its, killing meVerse 2:He is a liar
With a, a heart of coal
He could blind her with beauty
Such a, a foolish goal
Illusion
Dressed in a, a fantasy
I let him lie
And its, killing meChorus 1:What more is there to do, but cry?
What more is there to do, but cry?
What more is there to do, what more is there to do?
But cry?(Oohs, Ahs, and Ee's)Verse 3:I am a liar
So they, they should have known
Not to trust me completely
Would leave them so deeply
Deluded
Cause Ive, Ive lived this lie
It was my consequence
That I, I saw her dieChorus 2:What more is there to do, but cry?
What more is there to do, but cry?
What more is there to do, what more can I do?
But cry?(Oohs, Ahs, and Ee's)Chorus 2 Cont'd:What more is there to do, but cry?
What more is there to do?
Ohhhh
