

# Driving

## Everything But the Girl

Yeah, yeah, yeah Oh, lover boy to you I belong  
But maybe one day you'll wake  
And you'll find me gone But lover boy if you call me home  
I'll come driving, I'll come driving  
Fast as wheels can turn Oh, lover boy I know you too well  
And all of my lonely secrets  
To you I tell The highest of highs, the lowest of lows  
I'll come driving, I'll come driving  
Fast as wheels can turn  
Fast as wheels can turn Stretching away as far as my eyes can see  
Deserts and darkness, my hand on the wheel  
Lover boy, please call me home  
A girl can get lonely out here on the road A girl can get lonely out here on the road You see some days I find the  
old ways  
Frighten me too easily, I leave my key and say  
I'm too young But lover boy if you call me home  
Lover boy if you call me home  
Lover boy if you call me home  
I'll come driving, I'll come driving  
Fast as wheels can turn Fast as wheels can turn  
Fast as wheels can turn  
Fast as wheels can  
Fast as wheels  
I'll come driving Driving, I'll come driving  
Driving, I'll come driving  
Driving, I'll come driving Driving, I'll come driving  
Driving, I'll come driving  
Driving, I'll come driving Driving, I'll come driving  
Driving, I'll come driving  
Driving, I'll come driving  
Driving Fast as wheels can turn  
Fast as wheels can turn  
Fast as wheels can turn
