

Da Dopeman

T.I.

Look at this little nigga, man
Ay T.I. is that really you man?
Yeah shawty, what's happenin'?

Ay man can you give me a ride home, man? Man, it's 2:30 in the muthafuckin' mornin'
What the fuck you doin' out here?

Out here trappin' tryna get rid of this bomb and purp, man
Man you can come with me on one condition What's that bro? Let me convince you
To put that bomb down, I knew it T.I., what?
You wasn't really on that dope boy shit

I tell you what shawty, get in man I'll show you how to tote that tool, make that double
Better be cool, you don't want no trouble
Keep it leanin' to the left my gat, stay cocked

I'm always super clean when you see me on the block Keep my money in a knot with a rubber band on it
Blow to marijuana, know I got it if you want it
See me standin' on the corner, slangin' that crack

You know how it is to be the man in trap I'm da dopeman, nigga, da dopeman, nigga
The dope, the dope, dope, da dopeman, nigga
I'm da dopeman, nigga, da dopeman, nigga
The dope, da dopeman, da dopeman, nigga I'm da dopeman, nigga, da dopeman, nigga
The dope, the dope, dope, da dopeman, nigga
I'm da dopeman, nigga, da dopeman, nigga

(From a Ki' to a G, it's all about money) Look, bet all you see is tats, money, grills, and chains
But if you scratch the surface you can feel the pain
Names change but the situation still the same

The bills need payin', nigga, simple and plain Take a youngin' who's aspirin' to get him some change
Won't nobody hire him so he get in the game
Went and bought a 50 slab, divide it up into ten

Sold 'em all, double down, did it again By then you got enough to buy a quarter ounce
You sellin' dimes to forty fiends buy it and bounce

Throw some money to your momma keep some food in the house
Cop the outfit and the Jordan's on the day they came out Betta get ya self a pistol know the jackers is out
Flip another seven grams, oh you hustlin' now

Time to get yourself a half, make sure it's some glass
A hundred bags sell it fast stack a G now you officially Da dopeman, nigga, da dopeman, nigga
The dope, the dope, dope, da dopeman, nigga
I'm da dopeman, nigga, da dopeman, nigga
The dope, da dopeman, da dopeman, nigga I'm da dopeman, nigga, da dopeman, nigga
The dope, the dope, dope, da dopeman, nigga
I'm da dopeman, nigga, da dopeman, nigga

(I betcha think you pretty good at it now, huh?)Now once you flipped a couple O's know the game get gravy
 Take twelve fifty, go git ya two and a baby
 Yeah, sixty three grams if you whip that right
 You should get back five or six that night
 Stack that money and repeat that twiceBuy you somethin' to ride in, ya gotta be tight
 Next time you buy somethin' take twenty-five hundred
 Get four and a half, it come back in nine, don't it?
 Now stay low key when the money keep comin'Keep some niggas on ya team to show
 These suckas they don't want it
 By then your connect will clearly see you on ya grind
 Shit, you come to get a nine and he front you what you buyin'As long as you bring back your money on time
 And if you snort blow, do it on your own time
 At this rate you'll be at a brick in no time
 They say the want some weight, tell them niggas stand in lineYou da dopeman, nigga, da dopeman, nigga
 The dope, the dope, dope, da dopeman, nigga
 I'm da dopeman, nigga, da dopeman, nigga
 The dope, da dopeman, da dopeman, niggall'm da dopeman, nigga, da dopeman, nigga
 The dope, the dope, dope, da dopeman, nigga
 I'm da dopeman, nigga, da dopeman, nigga
 (Stay with me now, shawty, here comes the fun part)Now the robbers plottin' on ya and your name stay buzzin'
 You caught a sale case down in Macon with your cousin
 Your connect ain't worried, you and him cool
 He know you'll never tell what you and him doA mob of a hundred just a few of them true
 You heard a worker snitchin' on you and it's true
 Everybody know you sell that shit
 The feds come and get ya, and they tell you shit, we heard youTote that tool, make that double
 Better be cool, you don't want no trouble
 Keep it leanin' to the left, my gat stay cocked
 I'm always super clean when you see me on the blockKeep my money in a knot with a rubber band on it
 Blow that marijuana know I got it if you want it
 See me standin' on the corner slangin' that crack
 You know how it is to be the man in trap
 (I'll show you how to be a)I'm da dopeman, nigga, da dopeman, nigga
 The dope, the dope, dope, da dopeman, nigga
 I'm da dopeman, nigga, da dopeman, nigga
 The dope, da dopeman, da dopeman, niggall'm da dopeman, nigga, da dopeman, nigga
 The dope, the dope, dope, da dopeman, nigga
 I'm da dopeman, nigga, da dopeman, nigga
 The dope, da dopeman, da dopeman, niggall'm da dopeman, nigga
