

# Don't Leave Her (if You Can't Let Her Go)

Chris Young

You say you and her are really over.  
Donâ€™t wanna make up just to fall apart again.  
You say you want off this roller coaster.  
Well friend, let me ask you this.  
Can you stand see her dancing in somebody elseâ€™s arms?  
Do you think that youâ€™ll go crazy every time you see her car?  
If you canâ€™t scroll by her number with dialing on your phone.  
Well, thatâ€™s all you need to know,  
Donâ€™t leave her,  
If you canâ€™t let go.

I ainâ€™t sayin you ainâ€™t got good reason,  
For wantin to take a match to everything.  
But before you set your mind on leavin,  
You really aught to stop and think.

Can you run across her picture without wondering where she is?  
Can you catch the scent of her perfume and not think about her kiss?  
If you canâ€™t stop dreamin bout her when youâ€™re sleepin all alone.  
Well thatâ€™s all you need to know,  
Donâ€™t leave her.  
Swallow your pride and turn this thing around.  
This here is a road you donâ€™t wanna go down.

If you canâ€™t stand see her dancing in somebody elseâ€™s arms.  
Or you think youâ€™ll go crazy every time you see her car.  
If you canâ€™t scroll by her number with dialing on your phone.  
Well, thatâ€™s all you need to know,  
Donâ€™t leave her, Donâ€™t leave her.  
If you canâ€™t let go, oh if you canâ€™t let go.
