

There's Something Wrong With The World Today

Greeley Estates

Do you feel the way I do?
I don't care, I'll have you either way
Do you feel the way I do?
I don't care, I'll have you either way

Tonight love, it's just you and me
Nobody watching us, are you scared?
Tonight love, it's just you and me
No one protecting you, are you scared?
It's just you and me, girl, are you scared?
It's just you and me

Do you feel the way I do?
I guess not, I'll just have to proceed
Do you feel the way I do?
I guess not, I'll just have to proceed
As planned, I'll get what I came for
As planned

Tonight love, it's just you and me
Nobody watching us, are you scared?
Tonight love, it's just you and me
No one protecting you, are you scared?
It's just you and me, girl, are you scared?
It's just you and me

So this is how it feels to be loved?
So this is how it feels to be loved?
So this is how it feels to be loved?

Yeah, you can't resist this, give it up to me
Yeah, you can't resist this, give it up to me
Yeah, you can't resist this, give it up to me
Yeah, you can't resist this, give it up to me

What kind of world do we live in?
What kind of world do we live in?
What kind of world do we live in?
What kind of world do we live in?
What kind of world do we live in?
