

# For Goodness Sake

Paul Williams

For goodness sake, this world can prove demanding  
And moves in ways beyond my understanding  
Good friends with theories that will just confuse ya  
Tho' they mean well, make no mistake  
For goodness sake, so many people crying something's missing  
We try to help them but they just won't listen  
Sometimes the truth can be a rocky road to take  
We do our best for goodness sake  
Life is a living lesson  
Love is how it's taught  
Mastering the art of give and take  
Doing and undoing someone else's rights and wrongs  
Sometimes sleeping in a bed we didn't make  
For goodness sake if we can change, let's do it now or never  
This kind of madness can't go on forever  
Sometimes the truth can be a rocky road to take  
We do our best for goodness sake  
Life is a living lesson  
Love is how it's taught  
Mastering the art of give and take  
Doing and undoing someone else's rights and wrongs  
Sometimes sleeping in a bed we didn't make  
For goodness sake if we can change let's do it now or never  
This kind of madness can't go on forever  
Sometimes the truth can be a rocky road to take  
We do our best for goodness sake  
We do our best for goodness sake  
We do our best for goodness sake
