Watching the waves  
Hit our toes in the sand  
All the boys that you can have  
True kolohe united we stand  
To spread our aloha across this land

Don't stop the rhythm  
Let the rhythm keep pumpin and pumpin  
Don't stop the rhythm  
My heart is jumpin x2

Irie vibes keep flowing  
Throughout the air ( through out the air)  
Knowing we're not going anywhere

Pretty girls keep skanking on the floor  
Cause tonights the night you ask for more  
Jammin this music till the break of dawn  
It's on, carry on Carry on

We say  
We jamming hard in Pakala's backyard  
But everything we did wrong
