

Lippy Kids

Elbow

Lippy kids on the corner again
Lippy kids on the corner begin
Settling like crows
Though I never perfected the simian stroll
The cigarettes and it was everything then Do they know those days are golden?
Build a rocket, boys
Build a rocket, boys One long June
I came down from the trees
And kerbstone cool
You were a freshly painted angel Walking on walls
Stealing booze and hour long hungry kisses
And nobody knew me at home anymore Build a rocket, boys
Build a rocket, boys
Build a rocket, boys Lippy kids on the corner again
Lippy kids on the corner begin
Settling like crows
And I never effected that simian stroll, no Do they know those days are golden?
Build a rocket, boys
Build a rocket, boys One long June
I came down from the trees
And kerbstone cool
You were a freshly painted angel Walking on walls
Stealing booze and hour long hungry kisses
And nobody knows me at home anymore Build a rocket, boys
Build a rocket, boys
Build a rocket, boys
