# Boys Club

## Ween

Boys club
Yea, yea yea yea yea yea yea
Said you're talking 'bout boys club
Take the time, have some fun
Go outside, make love in the sun
At boys club - oh now yea
Boys club
Ooh now, talking 'bout boys club
Do ya dig it?
Boys club
Tell your woman, tell your man

Go somewhere they've got to understand
It's boys club
And I'll know they'll understand it's
Boys club
Ooh yea, talking 'buot boys club
You can talk of the future, you can talk of the past
You can go find yourself a nice piece of ass at
Boys club
