

Do Wrong Tonight

Keith Sweat

Sitting here lookin' at the way you dress damn this bad intentions
Trying to figure out how we got on this be, sexual intentions
We've thinking it, we've been scheming it, now it's time to do it
We could did you of, really did you, ain't nothing to it
We can do anything we want up in this room but would it be coolIf we do it wrong tonight, I mean just get it on
forget about the love that's at home
If we do wrong tonight don't you think they would know,
Would it be on the low if we go to the motel sipping on Petron
Put on your thong, we would be solo, solo
We could never be right no matter how hard we try
We can't be justified, shit we doing wrong tonightWedding band in the bathroom on the sink, dam this bad
intentions
Turn them picture around so my girl don't see this sexual positions
He be glad you here be working lately
She's far too much we don't love enough so that's my reason
We should do everything we said we would do but would it be coolIf we do wrong (if we do wrong tonight)
I mean just get it on forget about the love that's at home
If we do wrong tonight don't you think you would know
Would it be on the low if we go the motel sipping on Petron
Put on your thong we would be solo, solo
We could never be right, no matter how hard we try
We can't be justified, shit we doing wrong tonight
