Time After Time (LP Version)

The Beloved

I'm much too headstrong for my own good.
I'm too involved to realize
That your uncertainty will be the death of me.
But I lose my will and if looks could kill,
I've been struck down dead by your beautiful eyes.Time after time you challenge me for a reason.
I know that I'm impossible and deceiving.
I see the signs, you're telling me that you're leaving.
Time after time...
Time after time...These games of politics and romance, they're quite impossible to win.
I can't unfathom you;
One minute you love me or you say you do
And then I turn my back, I'm under attack,
I turn to hold you and you stick me for nothing.Time after time you challenge me for a reason.
I know that I'm impossible and deceiving.
I see the signs, you're telling me that you're leaving.
Time after time...
Time after time...And if I change to be the way you say you want me,
I'll only be the way I've always wanted to.
You know as well as I do...
You know as well as I do...Time after time you challenge me for a reason.
I know that I'm impossible and deceiving.
I see the signs, you're telling me that you're leaving.
Time after time...
Time after time...Time after time you challenge me for a reason.
I know that I'm impossible and deceiving.
I see the signs, you're telling me that you're leaving.
Time after time...Oh, well I still love you.
Time after time...
Oh, I love you.
Time after time...
You know, you know, I still love you.
Time after time...
Oh, I love you.
Time after time after time after time after time.
