

# Time After Time (LP Version)

## The Beloved

I'm much too headstrong for my own good.  
I'm too involved to realize  
That your uncertainty will be the death of me.  
But I lose my will and if looks could kill,  
I've been struck down dead by your beautiful eyes. Time after time you challenge me for a reason.  
I know that I'm impossible and deceiving.  
I see the signs, you're telling me that you're leaving.  
Time after time...  
Time after time... These games of politics and romance, they're quite impossible to win.  
I can't unfathom you;  
One minute you love me or you say you do  
And then I turn my back, I'm under attack,  
I turn to hold you and you stick me for nothing. Time after time you challenge me for a reason.  
I know that I'm impossible and deceiving.  
I see the signs, you're telling me that you're leaving.  
Time after time...  
Time after time... And if I change to be the way you say you want me,  
I'll only be the way I've always wanted to.  
You know as well as I do...  
You know as well as I do... Time after time you challenge me for a reason.  
I know that I'm impossible and deceiving.  
I see the signs, you're telling me that you're leaving.  
Time after time...  
Time after time... Time after time you challenge me for a reason.  
I know that I'm impossible and deceiving.  
I see the signs, you're telling me that you're leaving.  
Time after time... Oh, well I still love you.  
Time after time...  
Oh, I love you.  
Time after time...  
You know, you know, I still love you.  
Time after time...  
Oh, I love you.  
Time after time after time after time after time.
