

Bummer

JEFF the Brotherhood

I can't remember much at all, happened last night
Woah woah woah
I must have taken a pretty bad fall, On my way home
Woah woah woahOooh, I can't, no
Oooh, I can't, no
I can't see, I can't see, I can't see through this dreamWe must be drinking a little too much, on the weekends
Woah woah woah
I have been aching for your touch, I'm bumming so much
Woah woah woahOooh, I can't, no
Oooh, I can't, no
I can't see, I can't see, I can't see through this dream
