

Endless Apocalypse

GWAR

ENDLESS...
APOCALYPSE...
ENDLESS... ENDLESS...
APOCALYPSE...
There wasn't any reason
To change the melody
Are you a real person
Or do you just play one on TV?
People say - why don't you die?
I keep waking up and when I do I'm alive
Slipping on a lampshade
Wishing you were me
You're just wishing for poop
But happy with pee
We're just part of one filthy family
It's hard to feel so down
and I am getting over
ENDLESS APOCALYPSE...
in the beginning...
ENDLESS... ENDLESS...
ENDLESS APOCALYPSE...
You think that it's over
It really just begun
Watching your hair grow
Is really quite fun
Thought I was thinking
About another time
I'll pursue a career as a mime
Why won't you die?
I keep waking up and when I am I'm alive
Endless apocalypse
To end the beginning
Endless apocalypse
Endless apocalypse today
It's a beautiful day
ENDLESS APOCALYPSE...
ENDLESS... ENDLESS...
ENDLESS APOCALYPSE...
ENDLESS... ENDLESS...

Endless Apocalypse
To end the beginning
Endless Apocalypse
Endless Apocalypse today
It's a beautiful day
