

Skyfall (Denis Trump Club Mix)

Adele

This is the end
Hold your breath and count to ten
Feel the earth move and then
Hear my heart burst again For this is the end
I've drowned and dreamt this moment
So overdue I owe them
Swept away, I'm stolen Let the sky fall
When it crumbles
We will stand tall
Face it all together Let the sky fall
When it crumbles
We will stand tall
Face it all together
At skyfall
At skyfall Skyfall is where we start
A thousand miles and poles apart
Where worlds collide and days are dark
You may have my number, you can take my name
But you'll never have my heart Let the sky fall
When it crumbles
We will stand tall
Face it all together Let the sky fall
When it crumbles
We will stand tall
Face it all together
At skyfall Where you go I go
What you see I see
I know I'd never be me
Without the security
Of your loving arms
Keeping me from harm
Put your hand in my hand
And we'll stand Let the sky fall
When it crumbles
We will stand tall
Face it all together Let the sky fall
When it crumbles
We will stand tall
Face it all together

At skyfallLet the sky fall
We will stand tall
At skyfall
