Been Here All Along

Hannah Montana

mmm. yeaah
Sunrise and I lifted my head
Then I smiled at your picture sittin' next to my bed
Sunset and you're feelin' okay
Cause you smile at the letter that I sent you todayCan't wait till I see you again
And we'll both say remember when
The band played on the 4th of July
And you held me on your shoulders way up highYou're still there for me
Where ever there might be
And if an ocean lies between us,
I'll send a message across the sea
But you can sleep tonight, knowing it's alright
I'll believe that you were listening to my song
You're with me.
You've been here all along. You've been here all along.Back then you walked me to school
Tell me to be careful and follow the rules
Fast forward, you taught me to drive.
You gave me the keys and we went for a ride.And I can't wait till I see you again
And we both say, remember when.
I'm holding on to moments like that,
I know that they're coming back.You're still there for me
Where ever there might be
And if an ocean lies between us,
I'll send a message across the sea
But you can sleep tonight, knowing it's alright
I'll believe that you were listening to my song
You're with me.
You've been here all along.yeahhAll along, the way I keep you in my heart and in my breath
You'll always be the one who cares the most
Counting all the days,
I see you runnin' up to say, I miss you. I miss you.You're still there for me
Where ever there might be
And if an ocean lies between us,
I'll send a message across the sea
But you can sleep tonight, knowing it's alright
I'll believe that you were listening to my songYou're still there for me
Where ever there might be
And if an ocean lies between us,
I'll send a message across the sea

But you can sleep tonight, knowing it's alright
I'll believe that you were listening to my song
You're with me. cuz' You're with me
You've been here all along. You've been here all along.
