

I Remember

Kelly Clarkson

[Verse 1]Wednesday, never felt so cold here

Found your letter

Didn't know your words could hurt me still

Laying on the ground, nothing I can do

But wait it out

Creeping in, slowly wearing me down

And I remember

Changing everything I used to need

His arms don't fit the way yours did

But at least they're holding me

He will never leave me, he will never break me

Like you do

And he will never be you

[Chorus]So just tonight I let you in

Close my eyes and I pretend

That it's you instead of him

I kiss his face, hold him close

Whisper softly so he won't know

I'm remembering you again

And I remember

[Verse 2]Closer, closer than I like to be

Loving him and letting go of you isn't easy

Nothing you can do, nothing he can be

Nothing I can ever say

I'll keep you here till you fade away

[Chorus]So just tonight I let you in

Close my eyes and I pretend

That it's you instead of him

I kiss his face, hold him close

Whisper softly so he won't know

I'm remembering you again

And I remember

[Bridge]I could fight it, try and forget you

I could fight it but I don't want to

[Chorus x2]So just tonight I let you in

Close my eyes and I pretend

That it's you instead of him

I kiss his face, hold him close

Whisper softly so he won't know
I'm remembering you again
So just tonight I let you in
Close my eyes and I pretend
That it's you instead of him
I kiss his face, hold him close
Whisper softly so he won't know
I'm remembering you again
And I remember you
