

# U Lost Me

## Pity Party Girls Club

And I remember when  
You lost me  
Tired of my hands  
Tired of my hands  
And I remember when you broke my heart  
You threw it away  
Threw it away

And whyâ€™d you walk away now?  
Oh tell me how you feel  
You thrown it all away now  
Things just ainâ€™t the same

Oh why you playing games now?  
I knew you wouldnâ€™t change  
You thrown it all away now  
Things just ainâ€™t the same

Half of the time I donâ€™t know what to do  
Always alone thinking of you  
I got a broken heart coz of you  
Couldnâ€™t figure out why Iâ€™m blue  
Thinking that Iâ€™m better without you

Most of the time Iâ€™m alone without you  
Drinking to forget you  
Got a broken heart coz of you  
Couldnâ€™t figure out why Iâ€™m blue  
Thinking that Iâ€™m better without you

And whyâ€™d you walk away now?  
Oh tell me how you feel  
You thrown it all away now  
Things just ainâ€™t the same

Oh why you playing games now?  
I knew you wouldnâ€™t change  
You thrown it all away now  
Things just ainâ€™t the same
