Traffic Jam

Snoop Dogg

W Balls, yo! 1-87.4 fm on your dial,
Reminding you to get the dick out of throat and go vote.
DJ Eeasy dick still poppin' like a pipe bomb
And ohh yeah can you say farewell to well-fare?
callin number 4 just to go to doggyland, that's right,
this next jam is dedicated to all the homies still rockin' jerry curls
up them and texturises and go typhus.
Dj Eeasy dick will give you a stone cold groove.
that's all go to doggyland.
