Free

Destiny's Child

Wait a minute, wait a minute
I think I gotta take some time
To clear my mind 'cause if I don't
I might scream
Scream out loud in a little bit
Tell you what I'm talkin' bout
Now ladies, ladies
You know what it is
When you in love you give your everything
Oh this time it's for me
Nigga you been doing you
I'm gon' do me
Ladies help me sing itYou steady tellin' lies
I'm steady pacify
Why I kept denyin' the truth
You always here and there
Finally I don't care
I'ma keep it real wit youAin't no feelin' like bein' free
When your minds made up
And your heart
Is in the right place
Ain't no feelin' like bein' free
When you done all you could
What was misunderstood
It's all good, it's all good
Ain't no feelin' like bein' free
I'm like a eagle set free
And finally I'm lookin' out for me
Ain't no feelin' like being free
'Cause my minds up
And my heart is in the right place
Yeah, yeah, yeahHold'em up, wait a second
I gotta get somethin' of my chest
My happiness was your happiness
I lived and breathe
You and all your needs
Let me speak
It's best I do what's best for me
Now ladies, ladies

I've got my mind back
I been there and done that
Ooh this time it's for me
Nigga you been doin' you
I'm gon' do me
I'm freeTime is of the essence
And is much to short
To waste another minute on you
Why you steady tryna hide?
I'm packin' sayin' bye
I thought you were
My dream come trueAin't no feelin' like bein' free
When your minds made up
And your heart
Is in the right place
Ain't no feelin' like bein' free
When you done all you could
What was misunderstood
It's all good, it's all good
Ain't no feelin' like bein' free
I'm like a eagle set free
And finally I'm lookin' out for me
Ain't no feelin' like bein' free
'Cause my minds up
And my heart is in the right place
Yeah, yeah, yeahSo many years of being left out
Things you forgetting about
You didn't deserve my love
I had enough
Set me freeAin't no feelin' like bein' free
When your minds made up
And your heart
Is in the right place
Ain't no feelin' like bein' free
When you done all you could
What was misunderstood
It's all good, it's all good
Ain't no feelin' like bein' free
I'm like a eagle set free
And finally I'm lookin' out for me
Ain't no feelin' like bein' free
'Cause my minds up
And my heart is in the right place
Yeah, yeah, yeahCan I get some loving?
Can I get some time?

Love me in the morning
A lil' at night
I gave you everything you wanted
I gave you everything you needed
But you just didn't do right
So now baby I'm leavin'
It feel so good to be freeAin't no feelin' like bein' free
When your minds made up
And your heart
Is in the right place
Ain't no feelin' like bein' free
When you done all you could
What was misunderstood
It's all good, it's all good
Ain't no feelin' like bein' free
I'm like a eagle set free
And finally I'm lookin' out for me
Ain't no feelin' like bein' free
'Cause my minds up
And my heart is in the right place
Yeah, yeah, yeahI don' wanna hear it
Oh no no no get the bottle here
I don' wanna hear it
Oh no no no get the bottle here
Ha ha ha
