And I Love You

[Toni Braxton](#)

Say there ain't no remedies for the way I feel
They say you ain't no good for me, 'cause you ain't for real
But they don't see the little things, the things that touch my heart
The way I feel when I'm inside your armsAnd I love you
As in more than anything
And I love you
Even when my heart's in pain
And I love you
Is there any other way?
I'm gon' love you, 'til my dyin' daySee, I done been through everything, seen it all before
And I know there ain't no such thing, as perfect love no more
But mine is good enough for me, so leave my heart alone
He's the best thing that my heart's gonna ever knowAnd I love you
As in more than anything
And I love you
Even when my heart's in pain
And I love you
Is there any other way?
I'm gon' love you, 'til my dyin' dayAnd I love you
As in more than anything
And I love you
Even when my heart's in pain
And I love you
Is there any other way?
I'm gon' love you, 'til my dyin' dayIf love is a miracle, and I've got mine, baby
Everybody is invisible, I don't need them in my life
You are my sunshine
Even so bring the rain
I don't care what they do
I don't care what they say
I'm gonna love you anywayAnd I love you
As in more than anything
And I love you
Even when my heart's in pain
And I love you
Is there any other way?
I'm gon' love you 'til my dyin' dayAnd I love you
As in more than anything
And I love you

Even when my heart's in pain
And I love you
Is there any other way?
I'm gon' love you 'til my dyin' dayAnd I love you
As in more than anything
