

The Hindu Times (demo)

Oasis

I get up when I'm down
I can't swim but my soul won't drown
I do believe I got flare
I got speed and I walk on air 'Cause God gimme soul in your rock'n'roll, babe
'Cause God gimme soul in your rock'n'roll, babe
And I get so high I just can't feel it
And I get so high I just can't feel it In and out my brain
You're runnin' through my vein
You're my sunshine
You're my rain There's a light that shines on
Shines on me and it keeps me warm
It gimme peace I must say
I can't sleep 'cause the world won't wait 'Cause God gimme soul in your rock'n'roll, babe
'Cause God gimme soul in your rock'n'roll, babe
And I get so high I just can't feel it
And I get so high I just can't feel it In and out my brain
You're runnin' through my vein
You're my sunshine
You're my rain And I get so high I just can't feel it
And I get so high I just can't feel it
And I get so high I just can't feel it
And I get so high I just can't feel it In and out my brain
You're runnin' through my vein
You're my sunshine
You're my rain
