Dr. Dre

Yo yo what sup?
Yo man, give me some of that ol' gangsta ass shit, ya know what I'm saying?
Some shit I can just kick back , smoke a fat ass joint to
You know what I'm saying?
Hell yeah! You know what I'm talking about?
I like that ol' gangsta shit
'Cause you know it's a lot of niggas out there
Woofing all that bullshit talking 'bout they got this and got that
Talking louder than a motherfucker but ain't saying shit
Ya know what I'm saying?
(Dem come with a, them come with a, them come with the wickedness)
Yeah nigga I see your lips quivering
But you ain't saying a motherfucking thing
For my niggas, I got my niggas in the motherfucking house
And they gon' tell yo' what's really going on
Got my motherfucking nigga RBX, definitely in this motherfucker
I got my nigga Daz in this motherfucker ready to kick some real shit
Ya know what I'm saying?
And that lil' shit ya hear in the background, that's my home girl Rage
So RBX kick this shitSeven execution style murders
I have no remorse cause I'm the fucking murderer
Haven't you ever heard of a killer?
I drop bombs like Hiroshima
So now I walk around strapped
One-time bust they caps and watch niggas collapse
Snap! Adapt to this but you need no adapter
This is just the first chapter
In a book from a crook
You get caught slipping yo' ass gots to die
Nigga, tell me what the fuck you figure?
Trigger? Happy RBX to cap ya
Pop pop and I can't wait to bust a pound
Pop pop my hollow points smacks the clown
'Cause what I said split his head
And now they got me running from the feds
But I refuse to go alive
It's kill or be killed, that's how real niggas survive
I'm high powered!Yeah!
It's Daz that mass-murdering motherfucker

So what you feel like you wanna get caught up?

Fool you better recognize

Death Row came to chastise

So if you cross the Row

Remember the first name is Death

No love for the other side
