

# House of Eternal Hunt

## Avatar

I'm reborn  
Ruthless and just I soar  
The sky is my throne  
The gates  
To the predator realm  
Awaits  
Sworn to the moon  
And the storm  
Silent shadow  
High upon the throne Don't care if you're ready  
I'll take what is mine Sworn to the starlight  
Tonight is the night  
Call from the wild, I can feel it  
Endless horizon  
No sun in sight  
House of eternal hunt It's my time  
My darkness, my might  
Divine  
It has been foretold  
This land  
Will live and die by my hand  
Child to the moon  
And the storm  
Silent shadow growing  
I'm reborn Don't care if you're ready  
I'll take what is mine Sworn to the starlight  
Tonight is the night  
Call from the wild, I can feel it  
Endless horizon  
No sun in sight  
House of eternal hunt I take one last look  
At the emerald towers  
The end has come  
Please, hunt with me one last time  
The emerald towers  
Are swallowed by the sun Don't care if you're ready  
I'll take what is mine Sworn to the starlight  
Tonight is the night  
Call from the wild, I can feel it

Endless horizon  
No sun in sight  
House of eternal hunt
