

# Digging Your Scene

## The Blow Monkeys

I just got your message, baby  
So sad to see you fade away...

What in the world is this feeling, catch a breath and leave me reeling?  
It'll get you in the end, it's God's revenge!Oh, I know I should come clean,  
But I prefer to deceive

Everyday I walk alone and pray that God won't see me  
I know it's wrong, I know it's wrong,Tell me, why is it I'm digging your scene?  
I know I'll die, babyThey put you in a home to fill in  
But I wouldn't call that living

I'm like a boy among men, I'd like a permanent friend  
I'd like to think that I was just myself againOh, tell me, why is it I'm digging your scene?  
I know I'll die, babyI just got your message, baby

So sad to see you fade away  
I'm like a boy among men, I'd like a permanent friend  
Well, I'd like to think that I was just myself againOh, tell me, why is it I'm digging your scene?  
I know I'll die, babyOh, tell me, why is it I'm digging your scene?  
I know I'll die, babyOh, come on, baby  
Oh, come on, baby
