

Greg Is the Worst

Nick Roes

Greg is the worst.
Greg is the worst.
Greg is the worst.

Comes in 4 oâ€™clock in the morning,
Turns on the lights and the radio,
Looks up at me and asks,
â€œdid I wake you up?â€•

Greg is the worst.
Greg is the worst.
Greg is the worst.

Of all the roommates I might have got,
In this whole world, in this whole school,
I had to get Greg.

Greg is the worst.
Greg is the worst.
Greg is the worst.
