

# Change

## Tears for Fears

You walked into the room, I just had to laugh  
The face you wore was cool, you were a photograph  
When it's all too late, it's all too late I did not have the time, I did not have the nerve  
To ask you how you feel, is this what you deserve?  
When it's all too late, it's all too late Change  
You can change  
Change  
You can change And something on your mind became a point of view  
I lost your honesty you lost the life in you  
When it's all too late, it's all too late We walk and talk in time, I walk and talk in two  
Where does the end of me become the start of you  
When it's all too late, it's all too late Change  
You can change  
Change  
You can change What has happened to  
The friend that I once knew?  
Has he gone away? When it's all too late, it's all too late Change  
Change  
You can change  
Change  
You can change
