

Falling in Love (with My Best Friend) [Acoustic]

Matt White

It's so good
what we got.
you and me,
we love alot.
were just friends,
simple as that.
I dont want it to end..
but im falling in love
with the best friend i got.(chorus)
they say you dont really wanna fall in love,
you dont really wanna mess this up.
you dont really wanna fall in love,
cuz falling in love just breaks your heart.
(HEY,HEY)if we kiss,
if we touch,
all of this,
could get rough.
aint no thing,
aint no strings.
aint no i love you, you love me
we wont get caught up in the stuff that breaks.
Oh, no.(chorus) (x3)
they say you dont really wanna fall in love,
you dont really wanna mess this up.
you dont really wanna fall in love,
cuz falling in love just breaks your heart.
(HEY,HEY)
