

That's The Thing About Love

Martina McBride

It will drive you
Drive you crazy
Leave your pace on the floor
Til' you can't stand no more on it and faded
Can you swear?
You're gonna quit it
So you call it a day
Blow it off
Walk away
Then you miss it
That's the thing about love
That's the thing about love
Can't take anymore
But you can't get enough
Make you feel so high
Make you hurt so much
There's no way around it
Can't live without it
That's the thing about love, love, love
Hey, ye, ye
Oh baby, that's the thing about love
It'll make you say things
You can't believe you're saying
Like I'm closer
Move over
I need you
I want you
I hate you
It's bad when it's bad
And this is good as it gets
The more you think about it
The less it make sense
That's the thing about love
That's the thing about love
Can't take anymore
But you can't get enough
Make you feel so high
Make you hurt so much
There's no way around it
Can't live without it
That's the thing about love, hey, ye, yee
It will drive you
Drive you crazy
Ooh baby, that's the thing about love
Oh but ain't it, and you're beautiful baby
That's the thing about love
That's the thing about love
Can't take anymore

But you can't get enough
Make you feel so high
Make you hurt so much
There's no way around it
Can't live without it'Cause that's the thing about love
That's the thing about love
Can't take anymore
But you can't get enough
Make you feel so high
Make you hurt so much
There's no way around it
Can't live without it

That's the thing about love, love, loveHey, ye, yeOh baby, that's the thing about loveThat's the thing about
loveOh baby, that's the thing about loveOh, yee
