Pride, Faith, Respect

Agnostic Front

Pride, faith, respect, this is what we live forThis is dedicated to our fallen soldiers of the DMS Crew
You are gone but never forgotten
Con amor vaya con diosWe strive in honor for our brothers who are gone
Through the thick and the thin, we fight and push on
We'll never abandon all that we've built for years
No regrets, no pains, no guilt, no tearsPride is not a sin, it's a value
Pride is not a sinPride, faith, respect, this is what we live for
Hardcore and this is what we die for
Our legacy is eternal, my crew is my familyPride is not a sin, it's a value
Pride is not a sin, DMS CrewPride, faith, respect, this is what we live for
This is what we die forPride is not a sin, it's a value
Don't ever question my values
