

Pride, Faith, Respect

Agnostic Front

Pride, faith, respect, this is what we live for
This is dedicated to our fallen soldiers of the DMS Crew

You are gone but never forgotten

Con amor vaya con dios
We strive in honor for our brothers who are gone

Through the thick and the thin, we fight and push on

We'll never abandon all that we've built for years

No regrets, no pains, no guilt, no tears
Pride is not a sin, it's a value

Pride is not a sin
Pride, faith, respect, this is what we live for

Hardcore and this is what we die for

Our legacy is eternal, my crew is my family
Pride is not a sin, it's a value

Pride is not a sin, DMS Crew
Pride, faith, respect, this is what we live for

This is what we die for
Pride is not a sin, it's a value

Don't ever question my values
