

Propaganda

[Sean Nicholas Savage](#)

Ooooh, ooooooh...Get your heart screamin', and your body dreamin', make your money bleed

Propaganda

The truth is so shy.

Maybe I love it, maybe you love it too

All the trippy things,

Propaganda

Playin' their games

You keep your mind open your body open

listen for the sleep,

Propaganda

You hear it coming

I'm a freeeeakk, yeahh!

Wild and free

I'm not a country.

I'm a freeeeakk, yeahh!

Wild and free

Propaganda, 'can't have meLaa laa laa laa... etcOhh, what are we really, doing here,

come on girls, come on boys,

wild and free, you ain't a country

Maybe I want it so bad

everything in the world

Wild and free,

you ain't a country'...

I'm a freeeeakk, yeahh!

Wild and free

I'm not a country.

I'm a freeeeakk, yeahhhh!

Wild, Propaganda, 'can't have me

Ahh ahh ahh, laa laa laa...

ohh ohh...Freeee! Yeahhhh!

Ooooh ooh ooh ooh.
