

# 18 Days

## Saving Abel

18 days  
Since I had to look at myself  
I dont wanna have to change  
If I dont then no one will  
Is it my state of mind  
Or is it just everything else  
I dont wanna have to be here  
I dont understand it nowCause its been 18 days  
Since I first held you  
But to me it feels just like  
It feels like a lifetime  
Im trying hard to rearrange  
Some say its the hardest thing to do  
But thats another 18 days  
Without you..Time after time  
Ive been through this  
You show me what it means to live  
You give me hope when I was hopeless  
As my days fade to night  
I remember that state of mind  
Im soaring straight into your heart  
And Ill fly highCause its been 18 days  
Since I first held you  
But to me it feels just like  
It feels like a lifetime  
Im trying hard to rearrange  
Some say its the hardest thing to do

But thats just too many days  
Without youAnd I know what they say  
About all good things  
Will they come to an end  
But Ill fight this time  
So that we might  
Have a chance at thisCause its been 18 days  
Since I had to look at myself  
I dont wanna have to change  
If I dont then no one willCause its been too many days  
Since I first held you

But to me it feels just like  
It feel like a lifetime  
Im trying hard to rearrange  
Some say its the hardest thing to do  
But thats just too many days without you And I know what they say  
About all good things  
Will they come to an end  
But Ill fight this time  
So that we might  
Have a chance at this..
