

# In the Backseat

## Arcade Fire

I like the peace  
In the backseat  
I don't have to drive  
I don't have to speak  
I can watch the countryside  
And I can fall asleepMy family tree's  
Losing all it's leaves  
Crashing towards the driver's seat  
The lightning bolt made enough heat  
To melt the street beneath your feetAlice died  
In the night  
I've been learning to drive  
My whole life  
I've been learningI like the peace  
In the backseat  
I don't have to drive  
I don't have to speak  
I can watch the countryside
