

# Big Bad Love (Nightcore mix)

## Cascada

The heart ache is over  
I pushed you aside  
There's no more illusion  
As you've realized It's no hesitation  
I'm running alone  
The last chain is broken  
Now I'm on my own I'm so tired of your big bad love  
I'm so fed up with you big bad love  
I'm so tired of your big bad love  
I'm so fed up with your big bad love I'm so tired of your big bad love  
I'm so fed up with you big bad love  
I'm so tired of your big bad love  
I'm so fed up with you big bad love Your cruel game is over  
You're frighten to heart  
There's no more confusion  
Your life and you start It's no hesitation  
I'm running alone  
The last chain is broken  
Now I'm on my own I'm so tired of your big bad love  
I'm so fed up with you big bad love  
I'm so tired of your big bad love  
I'm so fed up with you big bad love I'm so tired of your big bad love  
I'm so fed up with you big bad love  
I'm so tired of your big bad love  
I'm so fed up with you big bad love
