I'm Not Trading

Sunna

I'm not trading now no I'm not,
I'm not saying now what I've got,
'Cause I can see something I would rather not,
And I can read you clear,

I can tell that,
I don't like you,
I don't like you,
I don't like you,

And I never will.
I'm not trading now no I'm not,
My gut tell me how I am,
'Cause if I let you in it might just be wrong,

So I can read you clear,
And I can tell that,
I don't like you,
I don't like you,

I don't like you,
And I never will.
Faith is going nowhere near you,
So take it home where safety's endearing,

And I will go away and knowing that,
I've rubbed shoulders without trust in mind.
I don't like you,
I don't like you,

I don't like you,
And I never will
