

# I'm Not Trading

## Sunna

I'm not trading now no I'm not,  
I'm not saying now what I've got,  
'Cause I can see something I would rather not,  
And I can read you clear,

I can tell that,  
I don't like you,  
I don't like you,  
I don't like you,

And I never will.  
I'm not trading now no I'm not,  
My gut tell me how I am,  
'Cause if I let you in it might just be wrong,

So I can read you clear,  
And I can tell that,  
I don't like you,  
I don't like you,

I don't like you,  
And I never will.  
Faith is going nowhere near you,  
So take it home where safety's endearing,

And I will go away and knowing that,  
I've rubbed shoulders without trust in mind.  
I don't like you,  
I don't like you,

I don't like you,  
And I never will
