

# Dedication (Les McKEOWN version)

## Bay City Rollers

I phoned the local station  
I kinda like the things they're playing  
So I settled down to listen nice and easy.  
The DJ plays our kind of music  
He's asked us folk to choose it  
But it all adds up to another  
Night without you. Now and then he takes a phone-in  
And anyone who's feeling lonely  
Can call him up  
And make a little conversation  
And in the night there's music playing  
Soft behind the words he's saying  
Would I like to make a dedication  
This song I want to dedicate to you  
And to everyone who feels the way we do  
As long as you're a part of me  
The song will play on endlessly  
I hope my dedication's getting through  
I'm standing in this lonely city  
There's not enough to keep me busy  
And we can't meet til I can take  
A short vacation  
You'll never know how much I love you  
Lying here thinking of you  
And all I got is a late night music station  
This song I want to dedicate to you  
And to everyone who feels the way we do  
As long as you're a part of me  
The song will play on endlessly,  
I hope my dedication's getting through  
Dedication playing just for you. This song I want to dedicate to you  
And to everyone who feels the way we do  
As long as you're a part of me  
The song will play on endlessly  
I hope my dedication's gettin' through  
Dedication's playing just for you
