Don't Let Go

Ratt

I'm gonna get me some leg tonight for sure, and I don't care who I'm with
Ya know it's drivin me crazy, a little insane but that just who I am
You know its Saturday night, it must be right cause last time she bit my lip
She said, turn me over and inside out then she asked me to do it againYou don't know me, you don't care
You don't know me, you don't care
Don't' let go of love Yeah
Don't' let go of love YeahWhat do you say when your deep in love and deeper every day
Dreams of you all through my head, why won't they go away
I'm gonna make this night, a night to remember
She asked me where I lived in town (right over here)You don't know me, you don't care
You don't know me, you don't care
Don't' let go of love Yeah
Don't' let go of love YeahAnother weekend and I'm feeling kinda hot,
She looked so good in every way
I couldn't take my eyes, off her licking lips,
Nobody take her awayLEADDon't' let go of love Yeah
Don't' let go of love Yeah
YEAH.....
