

# I Don't Mind

K-Ci & JoJo

[Chorus:]

I don't mind what they say

I don't mind what they think

I don't care how they feel

My love for you is so real I heard 'em say I love you too much

I heard 'em say we never fuss

I know you heard some things too

And that's what you heard

Lady, it's true

But did they say I'll never leave

Or did they say I want to be free

Don't let those fools take up your time

Just tell 'em like me

That I don't mind, I don't mind [Chorus:] I know you heard about my past

Said I'm sorry the relationship didn't last

I was a fool, oh a big fool

But now I know what I need to do

Lift up my head and I walked that mile

I think about me, forget about my pride

I want to know what you want to do

Is it gonna be them or me and you, yeah [Chorus:]

Every time I see you

I'm just like a child with a brand new toy

And baby I don't mind

I don't mind, I don't mind

And baby I don't mind

I don't mind, I don't mind

And baby I don't mind (What they say)

I don't mind, I don't mind (Or what they think)

And baby I don't mind (How they feel)

I don't mind, I don't mind

You give me my energy, yeah [Chorus:]}
