

Unknown God (feat. David Andrews)

Bethel Worship Arts

UNKNOWN GOD

Who Is this unknown God?

Creator of all things

the Lord of all the heavens

and everything that breathes

who Is this unknown God?

the giver of all life

Heâ€™s with us every moment

Through all the fear and strife

CHORUS:

This is Jesus, this is Jesus my King

He is with us, He is with us always

Who Is this unknown God?

Who gave us His only son

That we might live forever

No matter what weâ€™ve done

CHORUS:

So you may seek him and find him

And love him and trust Him

For He is seeking after you

And may you serve Him and worship

And bow down before him

For we live, we move, we breathe through Him

CHORUS:

Who Is this unknown God?
