

Spokesman (Tony Hawk's Pro Skater 4)

Goldfinger

What happened to Dignity?
Did it go away again?
Just like some worn out trend.
Well I still defend emotions.What happened to Honesty?
I don't see it in the top ten.
I only see it in what has been.
'cause I still defend Devotion.Am I alone?Don't want to rest, Don't want to breath.
We don't want to hear about life.
Don't want to hear a spokesman.
I don't want to test on what you believe,
The god damn singer wrote the song!
Don't want to hear a spokesman.What happen to Integrity?
I don't see it on MTV.
All I see is choreography
and I'll never be a dancerWhat happen to puberty?
Bad Skin and insecurity?
And who the fuck is felicity?
'cause I have problems of my own!Am I alone?Don't want to rest, Don't want to breath
We don't want to hear about life.
Don't want to hear a spokesman
Don't want to test on what you believe
The god damn singer wrote the song!
Don't want to hear a spokesman.Don't want to rest, Don't want to breath
We don't want to hear about life.
Don't want to hear a spokesman
Don't want to test on what you believe
The god damn singer wrote the song!
Don't want to hear a spokesman.
