Lipstick Promises

George Ducas

You told me, I was all you'd ever need
You said my love, would always be enough
Your scarlet kisses on my skin
Fooled me till the endEvery single word you said, every drop dead shade of red
Were just lipstick promises was I easy to deceive?
You were so easy to believe I fell for your every kiss
And your lipstick promisesSince you've gone, I see where I went wrong
All your lies, somehow left me blind
What you said would last so long
Was only painted onEvery single word you said, every drop dead shade of red
Were just lipstick promises was l easy to deceive
You were so easy to believe I fell for your every kiss
And your lipstick promisesWas I easy to deceive?
You were so easy to believe I fell for your every kiss
And your lipstick promisesEvery single word you said, every drop dead shade of red
Were just lipstick promises
Just lipstick promises
