English

-
Bubble pop, bubble pop
Donâ€™t try to change me
From the beginning to the end
Or else, just meet someone else
Stop whining

Whatâ€™s wrong with going out late at night?
Whatâ€™s wrong with not picking up your phone calls once in a while?
Why do you keep whining, donâ€™t you believe me?

Woo boy, donâ€™t try to make me fit into your standards
Hey boy, stop expecting more from me
My boy, my heart for you is already big like a bubble
Bubble bubble bubble pop
Bubble bubble pop pop

Woo boy, stop over-thinking
Hey boy, just judge me with what you see
M boy, my heart for you is already big like a bubble
Bubble bubble bubble pop
Bubble bubble pop pop

Say things nicely,
Donâ€™t laugh too loudly
Call me more often, stop telling me what to do
Hey hey hey hey,
Bubble bubble pop pop

Whatâ€™s wrong with mood swings?
Whatâ€™s wrong with being flaky?
Why do you keep whining, donâ€™t you know me?

Woo boy, stop over-thinking
Hey boy, just judge me with what you see
M boy, my heart for you is already big like a bubble
Bubble bubble bubble pop
Bubble bubble pop pop

Woo boy, donâ€™t try to make me fit into your standards
Hey boy, stop expecting more from me
My boy, my heart for you is already big like a bubble
Bubble bubble bubble pop
Bubble bubble pop pop

Donâ€™t try to fit me into your standards
Donâ€™t expect more from me
My hear for you is already big like a bubble
Bubble bubble bubble pop
Bubble bubble pop pop

Woo boy, stop over-thinking
Hey boy, just judge me with what you see
M boy, my heart for you is already big like a bubble
Bubble bubble bubble pop
Bubble bubble pop pop
