Die On Command

Sinner

Hell and back where the shiver grows in the darkest place
One and on in this hidden world deceiving on defaceFire is over me
Look into another dimension
Fire is over me
I can't believe the tensionDo you see the burning hell
Die on command
Do you hear the final bell
Die on command, dieDoesn't matter what you see penetrate your feelings
Independence, democracy
You don't know with whom you're dealin'
