

What I Always Wanted

Kittie

Opened up it's revealed!
Savour this
Dont get lost in a lie!
Hit or miss
Beside, myself, push on
What's to come must be proved
Focus bliss
Charcoal stares
One foot at a time
Smear those lines
I thought I found
What I always wanted
Bear with me
I thought I found
What I always wanted
Bear with me
Certainty
Is not at hand
I can't keep my eyes open
Chose not to listen
I thought I found
What I always wanted
Bear with me
I thought I found
What I always wanted
I got what I wanted
I got just what I always wanted
I got what I wanted
I got just what I always wanted
