You

11:11

I can advise
I can have the best night of my life
I can own the cars and clothes, the chains
But what you do to me is everything
Girl, I could own a billion dollar company
Or get faded with this drugs on me
But it don't matter
Cos I'm still hereThinking 'bout you
Do you think about me?
Girl, I got 40 bitches tryna holla but I don't want none
All I want is you
All I want is you
I just want you
Ooh
All I want is you
All I want is you
Girl, I got 40 bitches tryna holla but I don't want none
I just want youBaby, you can have a man and I can have a girl
But I would do anything to get you back in my world
Baby, just leave him, I rather us single
Than seeing other people, cause I'm still hereThinking 'bout you
Do you think about me?
Girl, I got 40 bitches tryna holla but I don't want none
All I want is you
All I want is you
I just want you
Ooh
All I want is you
All I want is you
Girl I got 40 bitches tryna holla but I don't want none
I just want you
All I want is you
I just want you
Ooh
All I want is you
All I want is you
Girl, I got 40 bitches tryna holla but I don't want none
I just want you
I just want you

Ooh
I just want you
